

## Heavy-duty Spring band clip W1

Information	Nom. d mm	Ø min d <sub>1</sub>	Ø max d <sub>2</sub>	Reference	h ± 0,08 0,02	Opening Force N	Box Quantity	Packing
The heavy-duty spring-band clamp is manufactured according to DIN 3021. This clamp is especially recommended for applications where temperature can vary from -40°C to +120°C . The design of this clamp means that it can maintain the same radial force despite these changes in temperature. It is fast and easy to mount and is also reusable.	17	15,2	18,3	03031501	0,85	100	200	800
